HH = Hall Hirer

The BayRider

The BayRider bus service is for locals having difficulty travelling within the Canada Bay area. It follows social distancing guidelines with only one person travelling at a time unless people live in the same household or need a carer. It also provides a delivery service of pantry items (from St Bedes Community Pantry) or fresh fruit and vegetables (from Touched by Olivia Foundation) for those having difficulty accessing food during COVID-19. Phone Kathryn on Tuesday between 9am and 12noon for more info, or to book.

AGM

DCC's AGM on Friday 25 September from 12:30pm to 1:30pm will be different this year with a small number of spaces at DCC and everyone else coming on Zoom. Please keep the date free.
