

LANGUAGE, LEARNING AND PLAY

This 5 week program runs for one hour on a Friday morning. It is for parents of babies 0-12 months. During this session we will be exploring how to make connections through language, learning and play. We begin with 'Helping your baby understand', this needs to happen first before your baby can talk. You will gain an insight into what helps your baby make sense of language and although your baby's first word may not be until he is 12 months old the preparation begins much earlier.
